Md Tainjinul Islam Anik

Passport: A03109872 | **Date of birth:** 10/12/2000 | **Place of birth:** Meherpur, Bangladesh | **Nationality:** Bangladeshi | **Gender:** Male | **Phone:** (+880) 1968962896 (Mobile) | **Email address:** aniktainjinul@gmail.com | **Address:** Shapnochura, H-15, L-3/1, W-50, Mollartek, Uttara, Dhaka, Bangladesh (Home)

ABOUT MYSELF

I am a dedicated individual with a strong passion for Mechanical Engineering. As a mechanical engineer, my objective is to optimize industrial technologies, enhance operational efficiency, and drive continuous improvement. I strive to contribute significantly to the evolution of production techniques by adopting emerging technologies and staying current with market trends. Through collaboration with cross-functional teams, I aim to generate impactful outcomes and foster sustainable practices.

EDUCATION & TRAINING

01/06/2019 - 29/11/2023

BACHELOR OF SCIENCE IN MECHANICAL ENGINEERING- AHSANULLAH UNIVERSITY OF SCIENCE AND TECHNOLOGY

Field(s) of study: Power Plant Engineering, Applied Engineering and Mathematics, Fluid Machinery, Machine Design, Control Engineering, Heat and Mass Transfer, Mathematics, Mechanics of Materials, Fluid Mechanics | **Final grade:** 3.335 out of 4.00 | **Website:** https://www.aust.edu

HIGHER SECONDARY CERTIFICATE (HSC)- SHAHEED POLICE SMRITY COLLEGE (SPSC)

Field(s) of study: Science | **Final grade:** 4.75 out of 5.00

SECONDARY SCHOOL CERTIFICATE (SSC)- SHAHEED POLICE SMRITY COLLEGE (SPSC)

Field(s) of study: Science | **Final grade:** 5.00 out of 5.00

WORK EXPERIENCE

03/02/2024 - CURRENT - DHAKA, BANGLADESH

MECHANICAL ENGINEER SNOWTEX GROUP

- Ensure smooth operations through regular maintenance, inspections, and repair coordination for sewing, template, and heat press machines. Drive process improvements to enhance productivity.
- Design and develop machine & equipment (e.g., sewing lifting machines, folders) using AutoCAD. Implement automation to optimize workflows and reduce labor costs.

29/12/2022 - 07/01/2023

INTERNSHIP

Sylhet Gas Fields Limited, Kailashtilla, Mste Plant

- Gaining hands-on experience in mechanical engineering principles and operations.
- Learning various applications, including equipment maintenance and developed a strong understanding of industry standards and best practices.

PUBLICATIONS

Mechanical, thermal, chemical, and physical properties of sponge gourd outer skin fiber-reinforced vinylester composites 2024

- Conducted in-depth research as part of the thesis project, focusing on evaluating the physical, mechanical, and thermal properties of sponge gourd outer skin fiber-reinforced composites.
- Designed and executed experimental tests to assess mechanical strength, thermal conductivity, and other properties of the composites.
- Analysed and interpreted data, drawing valuable conclusions and recommendations based on the experimental results.

Md. Muib Hossain Antor, Md Tainjinul Islam Anik, S.M. Masuk Al Faisal, Mohammad Rejaul Haque, Eshat Ar Rafi, Mahbub Hasan, M. A. Gafur, Md. Abdus Sabur, Md. Fazlay Alam & Md Zillur Rahman SPRINGER Biomass Conversion and Biorefinery

PROJECTS

- Calculated demand and conducted resource assessment using PVGIS, GSA, and Ret Screen.
- Collected equipment specifications suitable for the plant.

SKILLS

Microsoft Word | Microsoft Excel | Ansys (FEM) | 2D and 3D design software (Solidworks, AutoCad) | Graphics Design | Origin Pro

LANGUAGE SKILLS

Mother tongue(s): **BENGALI**

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken production	Spoken interaction	
ENGLISH	B2	C1	B2	B2	B2

HOBBIES AND INTERESTS

Research Interests Composite Material | Heat and Mass Transfer | Control Engineering | Refrigeration and Air Conditioning| Structural Analysis and Design

RECOMMENDATIONS

Mohammad Rejaul Haque, PhD Associate Professor

Department of Mechanical Engineering

Colorado State University, Fort Collins, USA
